Pattern Notes

Tension

25sts and 34 rows to 10cm (4in) over st-st on 3.25mm needles.

When knitting toys personal knitting tension is not too much of a concern. However, if your knitting tension is generally on the looser side then you may want to move down a needle size.

Instructions in round brackets

These are to be repeated the number of times stated after the closing bracket.

Casting on/off

The cable cast on method is recommended. Cast off knit wise unless otherwise stated. When it states cast off *loosely* you may wish to cast off using a larger needle, for example a size 4½ or 5mm.

Casting off requires the use of an additional stitch. For example, if the pattern states cast off 10 sts, you will need to use 11 sts to do so. So please bear this in mind when counting stitches.

Working in stripes

When knitting different coloured stripes, carry yarns loosely up side of work.

Making up

To create a neat, invisible seam when joining pieces use a mattress stitch, with right side of work uppermost. When casting on leave a length of yarn that could be used to sew up the seam if required.

Working embroidered stitches

Thread sewing needle with required yarn and knot end of yarn. Take needle through the stuffed toy and bring it out at the position required. Pull yarn to draw the knotted end right inside the stuffing. Now work the embroidered stitches. Pass the needle back through the toy to come out in a new position between the knitted stitches. Pass the needle back through the toy again between the same knitted stitches to come out at a different position. Repeat until yarn is securely fastened off.

Lightly press the skirt piece under a cloth avoiding waistband and taking care not to flatten the gatherings. Using yarn **A**, join the back seam of the dress from the hem edge to approximately 2 cm above the waistband. You do not sew all the way up the back seam as the dress needs to be able to fit over the teddy or doll's head. You can if you wish sew a button at the top of the dress with a loop fastening. However, as the gown covers the dress this is entirely optional. Then join the shoulder seams of the dress.

Snowflake Gown

Please note that the pattern instructions which are **highlighted** are to be knitted in yarn **C**, and the instructions which are not highlighted are to be knitted in yarn **B**.

Before you begin, I would recommend making 13 small balls of yarn **C** from the same original ball. These individual balls will be used to knit the 13 snowflakes, which saves carrying the yarn between snowflakes.
